

STUDENT AMBASSADOR PROGRAM

Aug 2025-May 2026

GOAL OF THE STUDENT AMBASSADOR PROGRAM

Student Ambassadors will be leaders with the Blue Ridge Partnership for Health Science Careers (BRPHSC) to promote and serve as outreach partners to fulfill the mission of the BRPHSC in our region (GO Virginia Region 2).

This is to be achieved by:

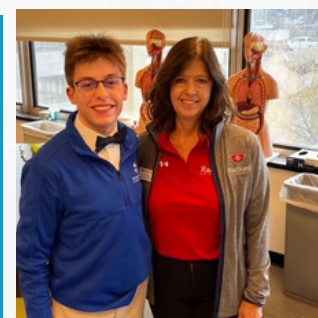

- Involving students in workforce development, training, and outreach (we want the next generation engaged in this process as it is about them and their peers),
- Empowering students to be leaders in voicing their health care career journeys, and
- Elevating the student perspective in building a coalition model approach to improving local workforce development, training, outreach, and public health.

STUDENT EXPECTATIONS

- Serve from August 2025 -May 2026
- Attend Ambassador Training in September 2025 & retreat in February 2026
- Participate in at least one community outreach per academic semester
- Attend Quarterly BRPHSC meetings when invited
- Create or develop outreach opportunities in their region, including events at area schools
- Be available for media interviews

Application process & eligibility:

- A rising senior in high school through adult learner currently enrolled in a health science training program
- Can commit to the above expectations
- Applications Open April 1- May 1, 2024
